

CCS: Conference on Challenges in Sarcoma 2024

Welcome to the second **CCS meeting** to be held on **Friday May 3** starting at 13:00 and **Saturday May 4, 2024** starting at 09: 00 CET

CCS will be a **two half-day conference**, in St Gallen, Switzerland. CCS will address important areas of challenges regarding the diagnosis, treatment and follow-up of soft tissue sarcoma (STS).

The conference will include **clinical scenarios** and **debates presented by international sarcoma experts (panellists)** on the multidisciplinary management of STS and its challenges. An **interactive format** enables the invited panellists to vote on a set of controversial topics. Following the conference, scientific questions will be formulated, corresponding trials and registries proposed and action by stakeholders will be encouraged.

Participants from all medical disciplines with an **interest in sarcoma** are invited to join the conference. **We look forward to your active participation.** A contribution towards the costs of catering will be charged.

A link to our website for further Information and registration is under construction.
